## **TASAKI Presents New Pieces Embellished with Stars and Comets Colouring the Night Sky in the Luxury Watch Collection "TASAKI TIMEPIECES"**

TASAKI (TASAKI & Co., Ltd.; Kobe Headquarter office: 6-3-2 Minatojima Nakamachi, Chuo-ku, Kobe; Tokyo Headquarter office: 5-7-5 Ginza, Chuo-ku, Tokyo; Board Director & CEO: Toshikazu TAJIMA) is to launch the new jewellery watches "abstract star" and "comet plus" at its TASAKI Ginza Flagship Store (5-7-5 Ginza, Chuo-ku, Tokyo) from Thursday, July 27th 2017. "abstract star" and "comet" are iconic TASAKI jewellery series, and will appear as new works in the luxury watch collection "TASAKI TIMEPIECES". The "abstract star" series abstractly and dramatically expresses a night sky full of stars, and the new watch models feature a case and bracelet with a stylish outline embodying the form of stars in a modern design. Two gorgeous designs are available, one in white gold and diamonds, and a second in TASAKI's original material SAKURAGOLD™, Akoya pearls and diamonds.

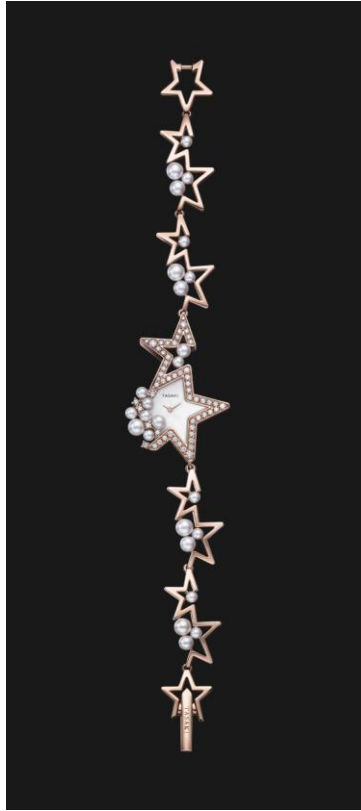

From the "comet" series, which features a comet flowing vigorously through space, TASAKI presents the "comet plus" design. This playful watch expresses a comet in SAKURAGOLD™ and diamonds, with a tail made from Akoya pearls.

Please enjoy the world of sophisticated jewellery watches born out of TASAKI 's innovative creativity.
